Sir:

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

The instant application was allowed July 23, 2004. However, the Reasons for Allowance are not commensurate with the scope of the claims.

For example, and without limitation, claim 19 does not require that all data-line inspection-use switching elements are off when the liquid crystal display panel is driven as recited in the reasons for allowance.

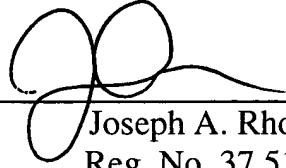

Please let me know if you should have any questions.
